Flanders Fish Market is a full-service Restaurant and Award-Winning Fresh Seafood Marketplace. We specialize in seafood, but offer our guests something for every taste, as taking care of our patrons is why we're in the business. Whether you'd like us cater your special event, order take-out, or dine with us in either of our dining rooms, outdoor patio, at our bar, or perhaps experience a Captain's Table, an exclusive 5-course meal prepared for you and your guests in front of your eyes, we keep it FRESH. Period. 7 days a week.
