**These Guys Brewing** stems from a passion and love of Great Beer! Combining a hunger for beer infused food with a foodie flare, the creative force behind These Guys was born. We looked tirelessly for a location that could house our brewing and culinary needs. When our space was found we underwent a transformation to modify the historic building to accommodate our equipment. During the remodel we discovered the historic and famous "Billy Wilsons" bar was in sad repair. We then decided to renovate the space and have a new bar built changing the layout to make a for better flow in the bar area.

While we wait for our Brewers notice from the federal government we look forward to our chef and team wowing you with our diverse craft beer list, culinary creations, craft cocktails, libations and amazing service. We hope you all take the time to stop by and check us out. **Cheers!**
